welcome to
Woodland Kyoto

Do you know the roots of Kyoto?

You must have found many attractive things in the center of Kyoto: traditional buildings of temples, shrines, the imperial palace and castles, fresh vegetables, tasty meat, fish, and so on. Many of them have actually been supported or provided by people living in this area Woodland Kyoto. Here lives a lot of artisans and farmers who keep their traditional expertise and culture and the way of thinking to support it, handed down from ancient time. You will surely be amazed to meet Kyoto with richer in context and knowledge.
